Dear Mr. Thurston:

The Division has completed its review of your Notice of Intention (NOI) to Amend Large Mining Operations for the Bentonite Pits mine, located in Sevier County, Utah. After reviewing the information, the Division has determined that the notice is complete. The Division has approved the second Letter of Credit from Zion's Bank for the required \$121,100.00 additional surety amount. The total reclamation surety for this site is now \$256,000.00. Copies of the approved surety and amended reclamation contract are attached for your records.

As agreed verbally, by January 5, 2009, you are expected to update your NOI so that it is clear and concise, combining into a single comprehensive document the original NOI and all subsequent revisions and amendments. You are encouraged to work with Lynn Kunzler of the Division to assure a complete and accurate NOI.

If you have any questions in this regard please contact me at 801-538-5261 or Lynn Kunzler at 801-538-5310. Thank you for your cooperation and patience in completing this permitting action.
